established pursuant to said marketing agreement and order, and upon other available information, it is hereby found that the amended limitation of shipments, as hereinafter provided, will tend to effectuate the declared policy of the act.

(2) It is hereby found that it is impracticable and contrary to the public interest to give preliminary notice and engage in public rule making procedure (5 U. S. C. 1001 et seq.) in that the time intervening between the date when information upon which this amendment is based became available and the time when this amendment must become effective in order to effectuate the declared policy of the act is insufficient, and this amendment relieves restrictions on the handling of Irish potatoes grown in the area regulated by said marketing agreement and order.

(b) *Order, as amended.* The provisions in paragraph (b) (1) of § 959.306 (16 F. R. 3) shall, on and after the effective date hereof, read as follows:

(1) During the period beginning February 9, 1951, and ending June 30, 1951, both dates inclusive, each shipment of potatoes grown in the production area shall be limited to potatoes which are U. S. No. 2, or better grade, and which are not less than 2 inches minimum diameter or 4 ounces minimum weight, as such grades and sizes are defined in the U. S. Standards for Potatoes (7 CFR 51.306), including the tolerances set forth therein.

(Sec. 5, 49 Stat. 753, as amended; 7 U. S. C. and Sup., 608c)

TITLE 9—ANIMALS AND ANIMAL PRODUCTS

Chapter I—Bureau of Animal Industry, Department of Agriculture

[B. A. I. Order 373, Amdt. 2]

PART 94—RINDERPEST, FOOT-AND-MOUTH DISEASE, FOWL PEST (FOWL PLAGUE), AND NEWCASTLE DISEASE (AVIAN PNEUMOENCEPHALITIS): PROHIBITED AND RESTRICTED IMPORTATIONS

IMPORTATION OF CERTAIN ANIMALS AND PRODUCTS FROM UNION OF SOUTH AFRICA

Pursuant to the authority conferred by section 306 of the Tariff Act of 1930 (46 Stat. 689, 19 U. S. C. 1306) and section 2 of the Act of February 2, 1903, as amended (32 Stat. 792, as amended, 21 U. S. C. 111), § 94.1 of the regulations relating to prohibitions and restrictions upon importations of certain animals and products because of rinderpest, foot-and-mouth disease, fowl pest (fowl plague), and Newcastle disease (avian pneumoencephalitis), (15 F. R. 6907), is hereby amended by removing the words "and the Union of South Africa" in the first sentence, and inserting the word "and" between the words "Australia" and "New Zealand" as I have determined that foot-and-mouth disease now exists in the Union of South Africa and have so notified the Secretary of the Treasury.

The primary effect of the amendment is to prohibit the importation of cattle, sheep, other domestic ruminants and swine, and fresh, chilled or frozen beef,

veal, mutton, lamb, and pork, and meat and meat products of wild ruminants and swine from the Union of South Africa, and to prohibit or restrict the importation of certain other meats and products and dressed poultry from the Union of South Africa. The protection of the livestock interests of the United States demands that this amendment be made effective at the earliest possible moment. Accordingly, pursuant to section 4 of the Administrative Procedure Act (5 U. S. C. 1003), it is found upon good cause that notice and public procedure on this amendment are impracticable and contrary to the public interest, and good cause is found for making the amendment effective less than 30 days after its publication in the FEDERAL REGISTER. Such notice and hearing are not required by any other statute.

(Sec. 2, 32 Stat. 792, as amended; sec. 306, 46 Stat. 689; 21 U. S. C. 111, 19 U. S. C. 1306)

This amendment shall become effective immediately.

Done at Washington, D. C., this 7th day of February 1951.

[SEAL] CHARLES F. BRANNAN,
Secretary of Agriculture.

SUBPART A—FILING OF, AND COMMISSION ACTION OF APPEALS

§ 515.1 *Basis for appeal.* Any claimant whose claim is denied or is approved for less than the full allowable amount may appeal to the Commission from such determination.

§ 515.2 *Form of request.* (a) An appeal shall be made in writing on WCC Form 1105. Such form, to be acceptable, must be filed with the Commission within six months from the date of the award or disallowance letter informing the claimant of the original determination.

(b) Upon failure to file such an appeal within six months, the claimant will be deemed to have waived his right to appeal and the decision of the Commission shall constitute a full and final disposition of the case.

(c) Upon proper cause shown, the Commission may, in its discretion, extend the time within which an appeal may be filed.

§ 515.3 *Appeal proceedings.* Appeal proceedings may consist of:

(a) A review of the original determination and the material in support thereof, plus any additional supporting evidence or briefs which the claimant or his authorized representative may submit.

(b) A hearing before an Appeals Board for the purpose of considering the original determination and the material in support thereof, plus any additional supporting evidence or briefs which the claimant or his authorized representative may submit. The claimant will be permitted to appear personally, or through an authorized representative before the Commission, and to present the testimony of other witnesses.

(c) The Commission may, in its discretion, require a hearing in any proceeding and shall give to the parties to the proceeding at least thirty (30) days notice of the time and place of such hearing.

§ 515.4 *Appeals calendar.* Upon receipt of WCC Form 1105 the case shall be entered on the Appeals and Hearings Docket. Each appealed claim shall be assigned an appeal number in the order of its receipt. This number shall govern the order in which appealed claims are considered.

§ 515.5 *Action by Commission on Appeals.* (a) If the claimant has specified on WCC Form 1105 that he does not wish to make a personal appearance, his claim, when reached on the appeals calendar, will be reviewed by an Appellate Attorney. The Appellate Attorney will present the claim and a summary of the evidence to an Appeal Board, with his recommendation as to whether the Commission's original determination should be affirmed, modified or reversed.

(b) If the claimant in executing WCC Form 1105 has requested a personal appearance, the claim will be assigned to an Appellate Attorney who will set the case for hearing. He will notify the claimant, his authorized representative, and all witnesses of the time and place of the hearing thirty (30) days in advance. The Appellate Attorney will then review the claim preparatory to presenting it to the Appeals Board.

(c) Personal appearance may be waived by the interested parties at any time and the case submitted to an Appeals Board on briefs.

§ 515.6 *Appeals Boards.* An Appeals Board shall consist of three members. One of the Commissioners shall act as Chairman of the Board; the other two members of the Board shall consist of such officers or employees as the Commission may designate.

SUBPART B—HEARING PROCEDURES

§ 515.20 *Pre-hearing conference.* At the request of the claimant or by an order of an Appeals Board, at any time prior to the hearing, the Chairman of the Appeals Board, or the Appellate Attorney assigned to the claim may arrange for a conference at a designated time and place to consider, among other things, simplification of the issues and any other matter which would tend to expedite the disposition of the proceedings.

§ 515.21 *Conduct of hearings.* (a) Unless otherwise ordered by the Commission, hearings on appeals shall be closed. The hearing shall be stenographically reported and the transcript shall be a part of the record.

(b) The Chairman of an Appeals Board, or any employee of the Commission designated by him, may administer oaths and examine witnesses. The Chairman of an Appeals Board may, in accordance with Part 502, Subchapter A of the Commission's regulations, require by subpoena the attendance and testimony of witnesses, as well as the production of all necessary books, papers, documents, records, correspondence, and other evidence.

(c) The claimant shall have the burden of proof on all issues involved in the claim proceeding.

(d) The claimant, his authorized representative, or the Appellate Attorney, shall have the right and power to call, examine and cross-examine witnesses and to introduce for the record documentary or other evidence.

(e) The rules of evidence prevailing in courts of law and equity shall not be controlling. Any testimony or other evidence having probative value shall be received. However, it shall be the policy to exclude irrelevant, incompetent, immaterial or unduly repetitious evidence.

(f) In the discretion of the Chairman of an Appeals Board the hearing or pre-hearing may be adjourned from day to day, postponed to a later date, or to a different place by announcement thereof at the hearing, or by reasonable notice to the interested parties.

§ 515.22 *Motions.* (a) A motion by the Appellate Attorney to dismiss a hearing may be granted by the Appeals Board when the claim on its face is not allowable or when it appears that the appeal has been abandoned. Such a motion shall be made in writing and shall state the reasons in support thereof. The motion shall be filed with the Appeals Board, and a copy shall be served upon all interested parties by the Appellate Attorney.

(b) Hearing on the motion shall be held at a time and place as ordered by the Chairman of the Appeals Board.

(c) Briefs may be submitted before the hearing, at the hearing, or within a time fixed by the Chairman of the Appeals Board after the close of the hearing.

(d) The decision of the Appeals Board upon the motion shall be final and shall be the decision of the Commission. The rehearing and reargument provisions of § 516.32 of this subchapter shall apply to decisions of the Appeals Board upon such a motion.

§ 515.23 *Oral argument at close of hearing.* Any party shall be entitled upon request, at the close of the hearing, to such time as may be fixed by the Chairman of the Appeals Board for oral argument. Oral argument made with the consent of the Appeals Board shall be included in the stenographic report of the hearing.

§ 515.24 *Proposed findings and conclusions.* At the close of the reception of evidence, or within a reasonable time thereafter, to be fixed by the Appeals Board, any party may submit proposed findings and conclusions, together with a brief in support thereof. Such proposal shall be in writing and shall contain appropriate references to the record. Copies thereof shall be furnished to all parties. Reply briefs may be filed with the permission of and within a reasonable time to be fixed by the Appeals Board.

SUBPART C—FINDINGS AND CONCLUSIONS

§ 515.30 *Decisions of Appeals Board.* The Appeals Board, as soon as practicable after receipt of the complete transcript and all exhibits, shall render a decision which shall become a part of the record and shall include a statement of the reasons and grounds therefor. Each decision by the Appeals Board, when concurred in by two or more of the Commissioners, shall constitute a full and final disposition of the case.

§ 515.31 *Notice of findings.* Notice of the final decision of the Appeals Board shall be delivered in person to all interested parties, or shall be sent by registered mail to such parties.

§ 515.32 *Rehearing and reargument.* Any party desiring a rehearing, reargument or any relief not specifically covered by this Part may file a petition with the Commission within ten (10) days after notice of the decision of the Appeals Board, stating the relief sought and the reasons in support thereof. MINIMUM WAGE RATES IN THE HANDICRAFT PRODUCTS INDUSTRY IN PUERTO RICO

NOTICE OF PROPOSED DECISION

On June 15, 1950, pursuant to section 5 (a) of the Fair Labor Standards Act of 1938, as amended, hereinafter called the act, the Administrator of the Wage and Hour Division, United States Department of Labor, by Administrative Order No. 399, appointed Special Industry Committee No. 8 for Puerto Rico, hereinafter called the Committee, and directed the Committee to investigate conditions in a number of industries in Puerto Rico specified and defined in the order, including the handicraft products industry, and to recommend minimum wage rates for employees engaged in commerce or in the production of goods for commerce in such industries.

For purposes of investigating conditions in and recommending minimum wage rates for the handicraft products industry in Puerto Rico, the Committee included three disinterested persons representing the public, a like number representing employers, and a like number representing employees in the handicraft products industry, and was composed of residents of Puerto Rico and of the United States outside of Puerto Rico.

After investigating economic and competitive conditions in the handicraft products industry in Puerto Rico, the Committee filed with the Administrator a report containing its recommendation for a minimum wage rate of 26 cents an

hour to be paid to employees in the handicraft products industry who are engaged in commerce or in the production of goods for commerce.

Pursuant to notice published in the **FEDERAL REGISTER** on October 20, 1950, and circulated to all interested persons, a public hearing upon the Committee's recommendations was held before Hearing Examiner Clifford P. Grant, as presiding officer, in Washington, D. C., on November 16, 1950, at which all interested parties were given an opportunity to be heard. After the hearing was closed the record of the hearing was certified to the Administrator by the presiding officer.

Upon reviewing all the evidence adduced in this proceeding and after giving consideration to the provisions of the act, particularly sections 5 and 8 thereof, I, as Administrator, have concluded that the recommendation of the Committee for a minimum wage rate in the handicraft products industry in Puerto Rico, as defined, was made in accordance with law, is supported by the evidence adduced at the hearing, and, taking into consideration the same factors as are required to be considered by the Committee, will carry out the purposes of sections 5 and 8 of the act.

I have set forth my decision in a document entitled "Findings and Opinion of the Administrator in the Matter of the Recommendation of Special Industry Committee No. 8 for Puerto Rico for a Minimum Wage Rate in the Handicraft Products Industry in Puerto Rico," a copy of which may be had upon request addressed to the Wage and Hour Division, United States Department of Labor, Washington 25, D. C.

Accordingly, notice is hereby given, pursuant to the Administrative Procedure Act (60 Stat. 237; 5 U. S. C. 1001) and the rules of practice governing this proceeding (15 F. R. 7029), that I propose to approve the recommendation of the Committee for the handicraft products industry and to issue a wage order to read as set forth below to carry such recommendation into effect.

Within 15 days from publication of this notice in the **FEDERAL REGISTER**, interested parties may submit written exceptions to the proposed action above described. Exceptions should be addressed to the Administrator of the Wage and Hour Division, United States Department of Labor, Washington 25, D. C. They should be submitted in quadruplicate, and should include supporting reasons for any exceptions.

SECURITIES AND EXCHANGE COMMISSION

[File No. 1-250]

CORN PRODUCTS REFINING CO.

NOTICE OF APPLICATION TO WITHDRAW FROM LISTING AND REGISTRATION, AND OF OPPOR- TUNITY FOR HEARING

At a regular session of the Securities and Exchange Commission, held at its office in the city of Washington, D. C., on the 7th day of February A. D. 1951.

Corn Products Refining Company, pursuant to section 12 (d) of the Securities Exchange Act of 1934 and Rule X-12D2-1 (b) promulgated thereunder, has made application to withdraw from registration and listing on the Board of Trade of the City of Chicago its 7 Percent Cumulative Preferred Stock, Par Value \$100, and its Common Stock, Par Value \$25. The application for withdrawal alleges the following:

(1) The applicant does not wish to incur the expense incident to the listing on the Board of Trade of the City of Chicago of the additional shares of Common Stock issued on January 25, 1951 in payment of its 5 percent stock dividend, nor the considerable expense involved in the preparation and printing of an additional listing application on the Board of Trade of the City of Chicago.

(2) There have been no trades at all on the Board of Trade of the City of Chicago in either of the above securities of the applicant during the years 1950 and 1949, and practically no trading for a number of years.

(3) An adequate market for the securities of the applicant is provided by the New York Stock Exchange, which in effect is the only market used.

Upon receipt of a request, prior to March 6, 1951, from any interested person for a hearing in regard to terms to be imposed upon the delisting of these securities, the Commission will determine whether to set the matter down for hearing. Such request should state briefly the nature of the interest of the person requesting the hearing and the

position he proposes to take at the hearing with respect to imposition of terms or conditions. In addition, any interested person may submit his views or any additional facts bearing on this application by means of a letter addressed to the Secretary of the Securities and Exchange Commission, Washington, D. C. If no one requests a hearing on this matter, this application will be determined by order of the Commission on the basis of the facts stated in the application, and other information contained in the official file of the Commission pertaining to the matter.

CONSOLIDATED NATURAL GAS CO. ET AL.

ORDER GRANTING AND PERMITTING AMEND- MENTS TO PREVIOUS APPLICATIONS- DECLARATIONS TO BECOME EFFECTIVE

At a regular session of the Securities and Exchange Commission, held at its office in the city of Washington, D. C., on the 5th day of February A. D. 1951.

In the matters of Consolidated Natural Gas Company, The Peoples Natural Gas Company, New York State Natural Gas Corporation, Hope Natural Gas Company, File No. 70-2325; Consolidated Natural Gas Company, Hope Natural Gas Company, File No. 70-2499.

Consolidated Natural Gas Company ("Consolidated"), a registered holding company, and its subsidiaries, The Peoples Natural Gas Company ("Peoples"), New York State Natural Gas Corporation ("New York State"), and Hope Natural Gas Company ("Hope"), having filed amendments to previous joint applications-declarations, pursuant to the Public Utility Holding Company Act of 1935, with respect to the following proposed transactions:

Consolidated has heretofore issued to certain banks an aggregate of \$20,000,000 of its 2 percent promissory notes pursuant to the Loan Agreement dated February 1, 1950, and the Supplemental Agreement dated July 14, 1950; and, in turn, 2 percent promissory notes of subsidiaries have been issued to Consolidated as follows:

Peoples	-----	\$8,000,000
New York State	-----	10,000,000
Hope	-----	2,000,000
		20,000,000

The said Loan Agreement and Supplemental Agreement and the said notes issued by subsidiaries provide an ultimate maturity at March 15, 1955, but, as set forth in the Commission's order of March 10, 1950, and supplemental order of September 6, 1950 in the above file, further approval must be secured in order to continue such notes in effect beyond March 15, 1951.

The General Financial Plan set forth in the joint applications-declarations contemplates that the said notes will be continued in effect and permanently refinanced along with other notes which may be issued by Consolidated in connection with its present construction program. In accordance with present estimates, it is contemplated that refinancing of said notes will not take place until after March 15, 1952 at the earliest.

The above subsidiary companies have each given notice to Consolidated of intention to continue this interim financing effect to March 15, 1952; and Consolidated likewise intends to give notice to the banks pursuant to the said Loan Agreements that it will continue its said outstanding notes in effect to March 15, 1952. All companies are reserving the right to continue the notes in effect beyond March 15, 1952 if at that time this course becomes advisable and is approved by the Commission.

In addition, Hope has heretofore issued to Consolidated its 2 percent promissory note in the face amount of \$2,500,000 with an ultimate maturity of March 15, 1955, but, as set forth in the Commission's order of November 29, 1950, further approval must be secured in order to continue such note in effect beyond March 15, 1951.

The note is related to the General Financial Plan indicated above and will be continued in effect until the refinancing of the notes issued by Consolidated pursuant to File No. 70-2325.

Hope has given notice to Consolidated of intention to continue this interim financing in effect to March 14, 1952, but is reserving the right to continue the note in effect beyond March 15, 1952 if at that time this course becomes advisable and is approved by the Commission.

Consolidated and its above subsidiaries have requested the Commission to enter its order permitting all of the above outstanding promissory notes to be continued in effect to March 15, 1952.

Said amendments to the previous joint applications-declarations having been filed on January 11, and 15, 1951, and notice of said filing having been duly given in the form and manner prescribed by Rule U-23 promulgated pursuant to the act, and the Commission not having received a request for a hearing with respect to said amendments within the period specified in said notice, or otherwise, and not having ordered a hearing thereon; and

The Commission finding with respect to said amendments to the previous joint applications-declarations that no basis exists for adverse findings, that the requirements of the applicable provisions of the act and rules promulgated thereunder are satisfied, and deeming it appropriate in the public interest and in the interest of investors and consumers that said amendments to the previous joint applications-declarations be granted and permitted to become effective:

It is ordered, Pursuant to Rule U-23 and the applicable provisions of the act,

NOTICES

and subject to the terms and conditions prescribed in Rule U-24, that the amendments to the previous joint applications declarations be and they hereby are granted and permitted to become effective forthwith subject to the terms and conditions prescribed in Rule U-24.

AND EXPENSES

In the matter of the Southern Company, Alabama Power Company, File No. 70-2435; Electric Bond and Share Company, File No. 70-2436.

The Commission having by order dated August 24, 1950 granted and permitted to become effective applications and declarations filed by the Southern Company, Alabama Power Company, and Electric Bond and Share Company ("Bond and Share") relating, among other things, to the transfer by Bond and Share of its holdings of the common stock of Birmingham Electric Company to the Southern Company in exchange for common stock of the Southern Company; and

The Commission having in said order reserved jurisdiction with respect to the payment of accounting fees and expenses incurred by Bond and Share in connection with the proposed transactions; and Haskins and Sells having submitted evidence with respect to accounting services rendered in these proceedings and having requested the payment of \$11,626.43 for services and \$2,603.86 as reimbursement of expenses; and

The Commission having examined such evidence and finding that the proposed payment of fees and expenses to Haskins and Sells is not unreasonable and finding it appropriate in the public interest to release jurisdiction over the payment of such fees and expenses:

It is ordered, That the jurisdiction heretofore reserved over the accounting fees and expenses incurred by Bond and Share in connection with these proceedings be, and the same hereby is, released.

It is further ordered, That said order of August 24, 1950, is, except as herein expressly modified, continued in full force and effect.
